

## 2019 External Awards, Medals and Fellowships

Below is a list of the significant New Zealand Awards, Medals, and Fellowship nominations and applications available to recognise achievements of researchers and of research in New Zealand. The list includes the closing date and the initial application process, point of contact, and where appropriate any internal closing dates.

If you are applying or nominating to any of these opportunities please ensure that you advise the Office of the Provost via: Marise Murrie ([m.d.murrie@massey.ac.nz](mailto:m.d.murrie@massey.ac.nz)).

### Royal Society te Apārangī Medals and Awards 2019 Round:

<p><b>DATES:</b> The call for nominations for medals and awards for the 2019 round will open in early Jan. Closing date 29 March 2019.</p> <p><b>APPLICATION PROCESS:</b> All Medals and Awards are done via an online nomination portal. Process for nominating is to contact (<a href="mailto:academy@royalsociety.org.nz">academy@royalsociety.org.nz</a>) and they will send you a URL to access the web portal. For more information visit <a href="#">RSNZ Medals and Awards</a>.</p> <p>Massey University internal process: please advise office of the Provost via Marise Murrie (<a href="mailto:m.d.murrie@massey.ac.nz">m.d.murrie@massey.ac.nz</a>) of any nominations or applications submitted. Support and feedback is also available – If you have any questions please contact Marise Murrie (<a href="mailto:m.d.murrie@massey.ac.nz">m.d.murrie@massey.ac.nz</a>).</p>	
<b>Medal/Award + short description</b>	<b>Due date</b>
<p><a href="#">Callaghan Medal</a> Science communication award, for outstanding contribution to science communication, in particular raising public awareness of the value of science to human progress, awarded annually.</p>	29 March 2019.
<p><a href="#">Charles Fleming award for environmental achievement</a> The award honours those who have achieved distinction in the protection, maintenance, management, improvement or understanding of the environment, in particular the sustainable management of the New Zealand environment. The award is made every three years to an individual and consists of a medal and a cash grant of \$2000.</p>	29 March 2019 (offered every three years)
<p><a href="#">Cooper Award</a> The Cooper Award (Royal Society Te Apārangī Early Career Research Excellence Award for Technology, Applied Sciences, and Engineering) is awarded annually for the encouragement of early-career researchers currently based in New Zealand for technology, applied sciences, or engineering research in New Zealand. The Award consists of a framed certificate and \$2,500.</p>	29 March 2019.
<p><a href="#">Dame Joan Metge Medal</a> The Joan Metge Medal will be awarded to a social scientist who, working in New Zealand, has shown excellence in his/her area but also excellence in the utilisation of his/her social science training, research experience, teaching and/or working life to facilitate and create connections and opportunities among the various stakeholders involved in social science research. The Medal will recognise in particular those who have contributed to capacity building, beneficial relationships with research participants, mentoring of new researchers as well as contributions to new knowledge.</p>	Every two years – next offered in 2020
<p><a href="#">Hamilton Award</a></p>	29 March 2019.

<p>The Hamilton Award (formerly called the Hamilton Memorial Prize) is awarded annually for the encouragement of early-career researchers currently based in New Zealand for scientific research in New Zealand. The Award consists of a framed certificate and \$2,500. This prize is associated with the Hamilton Lecture.</p>	
<p><a href="#">Hatherton Award</a> The Hatherton Award is awarded for the best scientific paper by a student registered for the degree of PhD at any New Zealand University, published or accepted for publication either during their studies or within two years of the completion of the PhD in Physical Sciences, Earth Sciences and Mathematical and Information Sciences. The Hatherton Award consists of a framed certificate and \$500.</p>	29 March 2019.
<p><a href="#">Hector Medal</a> The Hector Medal is awarded annually in rotation, for chemical sciences, physical sciences, mathematical and information sciences to the researcher who, working within New Zealand, has undertaken work of great scientific or technological merit and has made an outstanding contribution to the advancement of the particular branch of science. This year is it awarded in physical sciences.</p>	29 March 2019.
<p><a href="#">Hercus Medal</a> The Sir Charles Hercus Medal will be awarded biennially for molecular and cellular sciences and technologies; biomedical sciences and technologies; or clinical sciences and technologies and public health, rather than one discipline per round in rotation. From 2017 the medal will be known as the Hercus Medal. The medal will not normally be awarded in the same discipline two rounds in a row.</p>	Every two years. Next offered in 2020
<p><a href="#">Humanities Aronui Medal</a> Awarded annually for research or innovative work of outstanding merit in the Humanities. This includes conventional academic research and work in the creative arts. Researchers from all disciplines of the Humanities will be considered each year. The disciplines: Humanities includes languages, history, religion, philosophy, law, classics, linguistics, literature, cultural studies, media studies, art history, film, and drama.</p>	29 March 2019.
<p><a href="#">Hutton Medal</a> Awarded annually, for earth sciences, plant sciences, and animal sciences, to the researcher who, working within New Zealand, has significantly advanced understanding of the natural environment of New Zealand through work of outstanding scientific or technological merit. The awardee must have received the greater part of his/her education in New Zealand or have resided in New Zealand for not less than 10 years.</p>	29 March 2019.
<p><a href="#">Jones Medal</a> The Jones Medal is awarded for lifetime achievement in pure or applied mathematics or statistics by a person with substantial connections to New Zealand. The Jones Medal is accompanied by a prize of NZ\$5,000 awarded by the NZ Mathematics Research Institute (Inc.)</p>	Every two years. Next offered in 2020
<p><a href="#">Leonard Cockayne Lecture Award</a> The Cockayne Memorial Fund was established by public subscription to commemorate the life and work of Leonard Cockayne by the encouragement of botanical research in New Zealand. Under the rules amended by Council in 1957, the interest from the fund shall be used for grants in aid of addresses to be delivered or publications related to botanical research by New Zealand workers. Council in 1964 resolved to institute a triennial Cockayne Memorial Lecture, to be supported by the trust fund. Prize; Public Lecture Tour</p>	Every three years. Next offered in 2020
<p><a href="#">MacDiarmid Medal</a></p>	29 March 2019.

Awarded annually to a person who, while in New Zealand, has undertaken outstanding scientific research that demonstrates the potential for application to human benefit, such as in the areas of health, environment and technology.	
<a href="#">Mason Durie Medal</a> To recognise an outstanding contribution to the social sciences that while originating in a New Zealand environment, has had an international impact.	29 March 2019.
<a href="#">Pickering Medal</a> The Medal is to be awarded annually to a person who, while in New Zealand, has through design, development or invention performed innovative work the results of which have been significant in their influence and recognition both nationally and internationally, or which have led to significant commercial success. Please note that this medal is open to team nominations as well as individual nominations.	29 March 2019.
<a href="#">Pou Aronui Award</a> This award is an honorary title bestowed on suitable persons who have provided distinguished service to the humanities-aronui. It is an annual award that recognises contributory and dedicated service to the humanities-aronui over a sustained period.	29 March 2019.
<a href="#">Royal Society Te Apārangi Early Career Research Excellence Award for Humanities</a> Annual award for the encouragement of early-career researchers currently based in New Zealand for humanities research in New Zealand. The Early Career Research Excellence Award for Humanities consists of a framed certificate and \$2,500.	29 March 2019.
<a href="#">Royal Society Te Apārangi Early Career Research Excellence Award for Social Sciences</a> Annual award for the encouragement of early-career researchers currently based in New Zealand for social sciences research in New Zealand. The Early Career Research Excellence Award for Social Sciences consists of a framed certificate and \$2,500.	29 March 2019.
<a href="#">Rutherford Medal</a> This is the highest award instituted by the Royal Society of New Zealand at the request of the Government to recognise exceptional contributions to the advancement and promotion of public awareness, knowledge and understanding in addition to eminent research or technological practice by a person or group in any field of science, mathematics, social science, or technology. A group award shall only be made in very meritorious circumstances. Medal and prize money: \$100,000	29 March 2019.
<a href="#">Royal Society Te Apārangi Te Kōpūnui Māori Research Award</a> This award, to be awarded annually to early career researchers, will recognise innovative Māori research with a high standard of excellence and a promising trajectory. This award will acknowledge the dynamism that underpins both Te Ao Māori and Mātauranga Māori and be awarded for research that has the potential to shift boundaries and change directions of inquiry. Research in all subject areas is eligible for this award. Ka whakawhiwhia tēnei tohu ia tau ki ngā kairangahau i ō rātou tau tuatahi e mahi ana, hei whakanui i te auahatanga o te rangahau Māori, tiketike te kairangi, he maha hoki ōna tohu pai mō ngā rā kei mua. Mā tēnei tohu e whakamana te hihiri o Te Ao Māori me te Mātauranga Māori, ā, ka whakawhiwhia mō ngā rangahau ka taea te kī kei te nuku i ngā whaitua, hei te huri hoki i te anganga o ngā uiui. Ka āhei ngā momo rangahau i ngā wehenga mātauranga katoa mō tēnei tohu.	29 March 2019.
<a href="#">Te Puāwaitanga Research Excellence Award</a> Te Puāwaitanga Research Excellence Award is Royal Society Te Apārangi's highest award in recognition of research that has made an eminent and distinctive contribution to Te Ao Māori, and to Māori and Indigenous knowledge.	Every two years. Next offered in 2020
